

MAKING A  
MARK

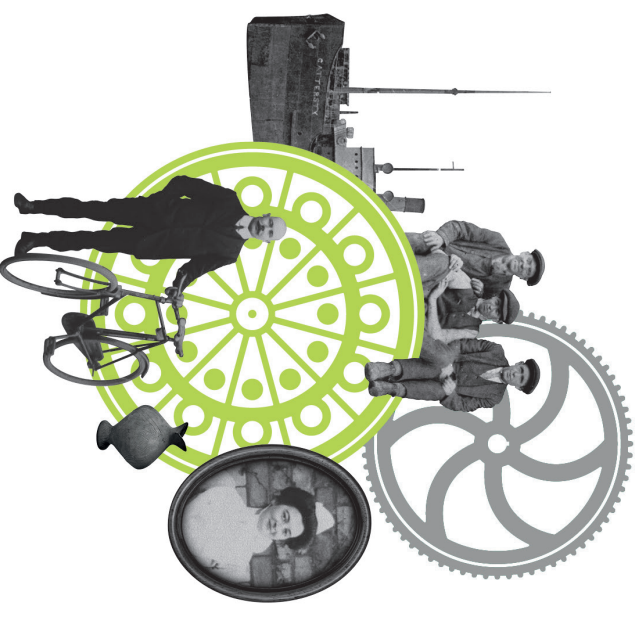

# MUSEUM IN YOUR CLASSROOM

## EXHIBITION LEAFLET

Students can use this template to make a leaflet advertising their exhibition by following these steps:

1. Print out the template on Pages 3 and 4
2. Follow the guidelines overleaf to add information and images to each section
3. Fold the leaflet into three, to make a front cover, back cover and inside flap. The leaflet will open out to reveal a poster of an object from your exhibition.

The template could also be used to make a guide for visitors to use in your exhibition.
