MUSEUM LOANS BOXES AND EQUIPMENT

LOANS BOXES

Museums in the Tees Valley offer a range of themed loans boxes containing objects, images and information for schools to use in the classroom. Borrow a box to support students' research about your exhibition theme and include objects in your exhibition. Loans boxes are popular and early booking is recommended. A small fee is charged in most cases. To find out more about what each loans box contains and how to borrow these please contact individual museums using the details below.
